**Re: Request for Protective Order/to Remove Exhibits from ECF**

**Filed as Document No. 28,**

**Tsirelman, M.D. v Daines, M.D. et al, Index No. 10-cv-0903**

Dear Senior Judge Weinstein:

The undersigned is counsel to the Plaintiff in the aforesaid action. The undersigned respectfully requests that the Court issue protective order/remove exhibits filed as Document No. 28 for the following reasons:

- 1) It contains private and personal information about Plaintiff and third parties;
- 2) If the exhibits remain accessible to general public, they will be used to attack Plaintiff professionally and personally as an attorney in the cases he handles. Such attacks will be destructive to our law practice and to the unsuspecting clients.

Counsel for the defendants was consulted and she does not oppose this request.

Respectfully,  
/s/
